

Directions to the Rendezvous point for Tandem Flights – Golden BC

We meet at the Eco Adventure Ranch landing field, here are the directions:

-Go south of Golden on highway 95. Travel 5.2 kms from the RONA Hardware Store to see a cluster of

Blue and White signs.

- There will be a sign in that cluster that says "Eco Adventure Ranch", turn right there.

-Travel another kilometer through the little community of Nicholson to see another sign that says the same thing and turn right again.

-Cross the bridge over the Columbia River and turn right at the next sign.

-The Eco Adventure Ranch is the first driveway on the right.

We will meet right beside the road at the little picnic area pavilion with the Canadian Flag on top.
